Thanks Alex. Couple of minor edits. I am now the Portland Permits *Section* Chief. I did not replace Shawn Zinszer, our Regulatory Branch Chief. :-)

Hi All.

Thank you for your participation in yesterday's meeting and on-going coordination to improve permitting processes for cleanup projects in the Lower Willamette River area and beyond. Attached are the minutes from the meeting which include a couple of follow-up tasks:

1. Keith will contact Davis Zhen of EPA to invite his participation in the management group (I will send a separate email with past minutes and info to share with Davis - Marc and Jaimee will be cc'd on the transmittal to Davis)
2. Marc will connect with Genevieve to promote coordination between USACE Operations with NMFS, DEQ 401 and EPA on the next phase of work planned at US Moorings.

I enjoyed meeting with you all and found the discussions productive.

Until next time,

--Alex
